Police Department (non-emergency)	(510) 293-7000

Hayward Executive Airport strives to be a good neighbor and has established a noise abatement program to assist pilots in operating their aircraft in the quietest manner possible. The noise abatement procedures detailed in this guide are intended to avoid any unnecessary overflights of residential areas. Pilots are encouraged to comply with these procedures unless deviations are made necessary by weather, air traffic control instructions, an in-flight emergency, or other safety considerations.

While the aircraft noise ordinance allows fines and penalties for violating the ordinance, the noise abatement program for Hayward Executive Airport focuses on pilot education when violations of the noise ordinance occur.

BE A GOOD NEIGHBOR.....FLY QUIET
